

Year Group: 5 Term: Autumn 2 Teachers: Mrs Campbell and Mr Trotter

Literacy:

As part of our wellbeing week, children will use the film Inside Out 2 to write in the roles of different emotions.

Narrative: Children will write a series of diary entries imaging themselves as a child living and working during the Victorian Times.

Non-fiction

The children will write a persuasive letter to the British government to abolish child labour during the Victorian period.

READING SHOULD BE COMPLETED EVERY NIGHT. HOMEWORK IS SET EVERY WEEK

PSHE:

This half term will see us start with Wellbeing Week. However, throughout our curriculum, we will look at our emotions and how to look after and understand our mental wellbeing especially as we grow,

History: Beyond Face Value

BIG QUESTION: Should we believe everything we see, hear and read?

This history unit focusses on a series of skill-based enquiries looking at the way powerful people have manipulated evidence for their own ends and have tried to persuade others of their version of the past.

The specific periods and individuals the children will study are: Henry VIII and Elizabeth I and the Tudor period. Factory owners and the Victorian period. The British Government during World War I and World War II.

What was it that these people wanted the public to believe? Who produced it and why?

PE:

Swimming lessons will continue until Easter.

Class 11: Wednesdays Class 12: Tuesdays

Science:

Animals, including humans.

Children will link their science topic with their PSHE unit and look at changes that happen to humans from embryo to old age.

RE: What are the themes for Christmas?

Children will learn about the symbolism associated with Christmas. They will develop an understanding of the meaning of this festival and the importance of it for Christians. They will reflect on the relevance of giving in to-

DT: Fashion and Textiles

Children will investigate and analyse items made using textiles and see how these materials are joined and decorated to make their own bag!

Maths:

Area and perimeter

Converting between different units of measure

Fractions

Geometry and the properties of shape.

Please ensure your child is fluent in all of their times table facts. TTRS/Mathletics are available
