

Personal Social and Emotional Development

We will:-

- Prepare for the move to our next class. We will talk about growing older, how we have changed and our next steps. We will visit our new classes and meet our new teachers.
- Learn how to resolve our differences without adults intervening.
- Learn how to think about how others might feel - empathy.
- Learn how to challenge undesirable behaviour e.g. what to do if someone tells you to do something you shouldn't.

Maths

We will:-

- Learn some of the number bonds to 10.
- Learn the doubles and halves within 10.
- Learn how to share quantities equally.
- Make linear patterns.
- Sort 3D shapes according to properties.
- Create circular and symmetrical designs with 2D and 3D shapes.
- Compare the weight of objects (heavier & lighter).
- Learn about measuring the passage of time.

Communication Language and Literacy

- We will take part in back and forth conversations and use new vocabulary.
- We will ask questions to find out more information.
- We will make up stories and act them out.
- We will learn facts about sea creatures and write about them.
- We will practise writing sentences with finger spaces and full stops.

Understanding of the World

We will:-

- Learn about the features of a sea shore environment and the creatures that live there.
- Compare the beach environment to North Shields town.
- Describe natural and manmade beach detritus and learn about the dangers to wildlife from manmade rubbish.
- Learn about the story of Grace Darling and compare to present time.
- Learn about our local seaside in the past.
- Compare our beaches to beaches in the Caribbean.

Beside the Sea

Physical Development

We will:-

- Join materials with split pins and treasury tags.
- Build and create with a wide range of small and large materials.
- Bounce, roll, kick, throw and catch balls on the spot or on the move.
- Practise the skills we will need for sports day.
- Use gardening tools and plant edible seeds and plants.
- Use the large climbing apparatus in the hall.

Expressive Art and Design

We will:-

- Create our own designs with natural materials e.g. shells, and pebbles.
- Learn about warm and cool colours and paint with them to create sea side landscapes.
- Draw shells, sea weed and sea creatures.
- Use a range of materials to create a seaside collage.
- Make up our own stories and act them out.
- Learn simple sea shanties.
- Listen to Caribbean music and know that countries have different musical traditions.
- Learn about paintings of Grace Darling (Artist - Thomas Brooks).
