

Year Group: 1 / 2

Term: Autumn 1

Teachers: Mrs May, Mrs Chambers & Miss Jack

Literacy

Year 1: We will practise our oracy skills by talking about ourselves and share information within a group. We will practise our letter formation and handwriting and begin to write on the line. We will orally rehearse sentences and ideas and attempt to write labels and captions.

Year 2: We will spend a week learning about our classmates through the story 'What Makes me a Me?' we will focus on joining clauses with the conjunction 'but'. Next we will focus on narrative: Colours, Colours Everywhere and Animalphabet by Julia Donaldson focusing on expanded sentences and varying punctuation. Finally we will write an Autumn fact file.

All About Me

Geography - What is it like here?

We will think about what our local area means and follow maps of the school grounds.

We will create 'messy maps' of the classroom and explore lots of other types of maps.

We will look closely at different maps and evaluate them.

Science - The Human Body & Seasonal Changes

We will learn about the different parts of our bodies and we will explore our five senses.

We will go on a hunt around the school grounds to find features of autumn.

Music - My Musical Heartbeat

We will listen to and sing to music and songs and try to find and keep the pulse or steady beat together. We will play simple rhythms using the glockenspiels. Year 2 children will practising their improvisation skills.

ICT - Keeping Safe and Exploring Technology

We will learn about how to stay safe and we will understand what a healthy use of technology is.

We will explore the different types of technology in our homes and businesses.

We will get hands on with control equipment to figure out how it all works.

PE - Health Related Fitness

We will understand the importance of regular exercise and how being active is part of staying healthy. We will join in with fitness activities to improve our coordination, agility and balance.

RE - Christianity

We will be learning about Christian beliefs and where they worship.

Maths

Year 1 — We will focus on our understanding of numbers 0-100 paying attention to place value and what the digits represent. We will practise counting in 10s and ordering numbers.

Year 2 - We will consolidate our knowledge of numbers 10—100 by understanding and partitioning two digit numbers. Then we will begin to look at addition and subtraction calculations within 20.

PSHE - Healthy Eating and Keeping Active (Wellbeing)

We will understand how to live a healthy lifestyle.

We will name the parts of our body.

Art - Spirals

We will control lines by varying pressure and speed. We will draw from imagination and observation. We will use colour to help our drawings engage others.
